Dear Sir:

The above-identified United States patent application was previously withdrawn from issue after payment of the issue fee on June 13, 2005 in the amount of \$1,018 (including the fee for six additional copies of the printed patent). The Applicant noted that the second issued Notice of Allowance and Issue Fee Due dated April 19, 2006 states that no fees are due. Therefore, no further payment for issuance is believed due in connection with the above-identified United States patent application. If, however, any fee is owed, the Commissioner is

hereby authorized to charge payment of the fee associated with this communication to Deposit Account No. 19-2090.

Respectfully submitted,

SHELDON & MAK
